If you have any concerns regarding pets on the property, please let me know as I will be happy to discuss and work through any concerns you may have. During my tenancy I will do my best to prevent my pet from causing any undue annoyance or concerns to my neighbours.

Thank you for taking the above into consideration and I look forward to receiving your response. The benefits of pet friendly properties are not always obvious, but they help create a sense of community, and promote social interaction with neighbours. As a landlord, you may be interested to know that pet friendly properties also report lower tenant turnover and vacancy rates.

Should you have any questions or would like to discuss the matter further, please do not hesitate to contact me directly.

Kind Regards,
